Littmann Stethoscope Case

Product codes:

Reference: -

Product short description:

Case for Littmann stethoscopes

Product description:

Professional case for Littmann stethoscopes:

- the convenient and secure design of the case protects the stethoscope when carrying and storing it.
- the case allows the stethoscope to be stored elegantly,
- excellent protection of the stethoscope against falls and wear,
- removing the soft lining of the stethoscope case increases the space inside.
- a compartment with a mesh bottom lets you store / carry extra items in the stethoscope case, e.g. a doctor's stamp, an ENT penlight or stethoscope spare parts.
